Program Advisory Committees are one of the chief means of providing advice on currency and relevance to College programs and have long been recognized as an effective means to facilitate input from our larger community. The purpose of this policy is to establish common standards for the establishment and ongoing support of Camosun College Program Advisory Committees to better enable program currency and relevance and to provide a valued link to our community.

This policy applies to all applied programs as well as other program areas that would benefit from formal linkages to the community.

1. for all applied programs as well as other program areas that would benefit from formal linkages to the community, with the purpose of:
 - a) advising the College on program outcomes and on program development, review and renewal;
 - b) advising the College on current trends in the field; and
 - c) providing a valuable link to the communities we serve.
2. Recommendations arising from Program Advisory Committees will be communicated to the office and reported on at a subsequent Program Advisory Committee meeting.
3. All Program Advisory Committee members will be external to the College and will be selected and appointed by the Dean/Director. Careful consideration will be given to selecting members of the community who collectively embody
