

A summary of the services and supports that students can utilize before, during and after their post-secondary experience at Camosun College.

---

Academic Advisors are the Camosun program and post-secondary experts.

They can help:

- understand post-secondary culture and terminology,
- assist you with the skills to develop your own plan to meet your educational goal,
- support with transfer credit, and transitioning to other colleges or universities,
- you choose appropriate elective or required courses.

---

Are you missing the English or Math you need for admission into a program or course? Maybe you've been out of school for a while and you're not sure how much you remember. We're here to help. The Assessment Centre offers various tests to determine a student's current level of skill in a subject. A student can't fail – whatever their result, Camosun can match a student with the right Camosun course to get them started on their academic path.

Both Interurban and Lansdowne Campuses have bookstores, which provide convenient hours and student resources. Each student is responsible for picking up the required textbooks for their course or program. When purchasing your textbooks, go to the campus bookstore in which your course or program will be taught. For online courses, check with your instructor. The following link will provide details for both locations.

---

Buses provide efficient, convenient transport to both campuses. The Universal Bus Pass# – included in student fees, incorporated into your student ID, and revalidated each registration period – allows students (except special education and Continuing Education students) unlimited access to all buses in the Victoria region at all times.

---

CamLink allows students to search availability and register for credit classes. SIP students do not register for their courses and programs through CamLink, however if you continue to take courses through Camosun in the future, you will be able to register for them through CamLink, as well as view course availability, waitlists, unofficial transcripts and student records.
